

LET'S ESCAPE  
FROM, THE  
SOLAR  
SYSTEM AND  
CROSS IT IN  
PARALLEL  
LINES.

I want to be the words.  
That pour out of your lips.

Like a shadow

You can blame the times we live in.  
For your lack of courage.

Searching for a place

Where there is a wish not going anywhere.  
For your lack of courage.

LET'S ESCAPE  
FROM, THE  
SOLAR  
SYSTEM AND  
CROSS IT IN  
PARALLEL  
LINES.

Taking along  
impossible wishes

And our timid voices  
Once we're **drained** of emotion  
I can start to imagine

I will reach out to our shadow.

THOSE  
PARALLEL  
LINES.

I want to be the words.  
That pour out of your lips.

LET'S ESCAPE FROM, THE  
SOLAR SYSTEM AND CROSS  
IT IN PARALLEL LINES.

Like a shadow

You can blame the times we live in.  
For your lack of courage.

Searching for a place

**Where there is a wish not going anywhere.  
For your lack of courage.**

LET'S ESCAPE FROM, THE  
SOLAR SYSTEM AND CROSS  
IT IN PARALLEL LINES.

Taking along  
impossible wishes

And our timid voices  
Once we're drained of emotion  
I can start to imagine

I will reach out to our shadow.

THOSE PARALLEL LINES.
